

HOW DOES BANK ON YOURSELF MEASURE UP?

Have you ever wondered just how BOY compares to your favorite financial strategy? Well, here's your chance to find out!

Attached is a copy of Pamela Yellen's "\$10,000 Challenge" to help you compare. There are 18 questions about benefits that BOY gives so you can compare them to whatever other financial strategy you wish. These 18 benefits were developed over the last 5 years based on what people told us was important to them. I'm willing to bet that you will find these items important to you, too.

Get this. If you can find a financial strategy that will do all these 18 things, Pamela will fork over \$10,000 to you! Now there's an incentive to spend a few minutes looking at the questions!

Wouldn't you agree that the current situation in the stock and real estate markets sure make questions #6, #15 and #17 important today?

I will prove that questions #10 and #12 are true if you need me to.

Decide for yourself. Take a few minutes and go through the list. I will be happy to review the list with you, if you like. Just let me know.
